Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Sunday 25 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and feeling very warm on Monday.

This Evening and Tonight:
Remaining dry across the region with sunny spells continuing into the evening. Overnight, it will stay dry with plenty of clear spells. A fairly warm night for most with light winds. Minimum temperature 9 deg C (48 deg F).

Monday:
A dry start with plenty of sunny spells. Into the afternoon some cloud bubbling up, bringing the risk of the odd isolated heavy shower in the east. Very warm again. Maximum temperature 27 deg C (81 deg F).

Outlook for Tuesday to Thursday:
Sunny spells and plenty of heavy, perhaps thundery showers on Tuesday. Often cloudy, with heavy showers to longer spells of rain on Wednesday and Thursday. Becoming blustery and cooler.
